

## Attractions and Events: Increase Your Online Distribution & Strengthen Ticket Sales

### Advanced e-Ticketing Solutions for Suppliers

aRes Travel e-ticketing technology enables ticket sales on your website with our advanced ticketing solutions for attractions, activities, tours, events, festivals, museums, and more.

### Print@Home e-Ticketing

Our exclusive, direct to turnstile **print@home e-ticketing** utilizes embedded travel supplier bar codes, allowing customers to print secure tickets directly from your website and reducing pressure at ticket counters.

**aRes Travel e-vouchers** provide consumers the convenience of print@home and you the flexibility to define fulfillment options for the consumer.
